2020 SUMMER FUN FOR ALL AGES THROUGH FRIDAY, JULY 31

Make a splash this summer, enjoying books, reading and splishy-splashy fun activities all summer long!

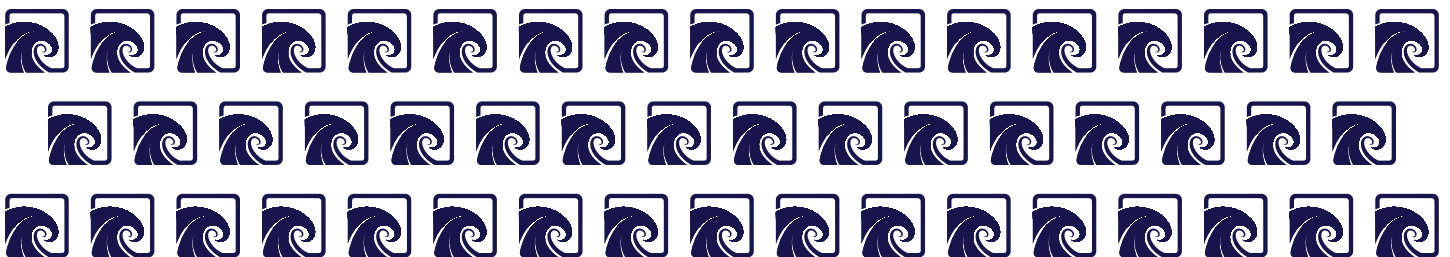

Use this log to track your reading, or track online at: YOUR USER NAME: _____

**For every 20 minutes you read or are read to, color in a wave.
When you have colored in all the waves, you've read for 1000 minutes!**

You can also choose your own challenge! Maybe you'll shoot for 500 minutes read, try to read one chapter book a week, or try for 20 pages a day. It's up to you!

When the fun is done, visit us to pick up your prize while supplies last. Kids get a new book! Readers of all ages will be entered into drawings for more great prizes, including a 2021 season pass to Pirates Cove Water Park (kids 0-12), a 2021 season pass to Elitch Gardens (teens), and a stand-up paddleboard (adults).

READ FOR YOUR SCHOOL!

Schools registering the most students for Splash Into Summer (as a percentage of total 2019-2020 enrollment) will receive \$500 from the Douglas County Libraries Foundation. We'll reward the top schools in each of four categories: charter, elementary, middle and high schools.

HELP US MEET OUR COMMUNITY GOAL!

We challenge readers in Douglas County to help us reach a goal of 8 million minutes read! If we meet our goal, the Douglas County Libraries Foundation will donate \$1000 to the COVID-19 Recovery Fund through the Douglas County Community Foundation (DCCF).
